

## REASONS FOR ATTENDING BASIC DRIVER IMPROVEMENT

You must complete a Basic Driver Improvement Course (Traffic Collision Avoidance Course) if you want to retain your driver license in the following circumstance:

- you were a driver in a crash and are found at fault and
- someone was transported to the hospital or
- you had two crashes in a two-year period, which resulted in property damage greater than \$50.

If you receive a ticket for a non-criminal moving violation, you may elect to attend a basic driver improvement course in lieu of points on your driving record.

In some cases, you may choose to attend a basic driver improvement course to receive insurance discounts. This discount is solely at the discretion of your insurance company.

### ELECTING TO ATTEND TRAFFIC SCHOOL

**Drivers with a Class A, B, or C license may NOT make an election under this subsection.**

If, as a result of a moving violation, you elect to attend and complete a basic driver improvement course, you will receive the following benefits:

- No Insurance Rate Increase - Your insurance rates cannot go up and your policy cannot be cancelled because of this violation, unless this involved a crash where you were at fault.
- No Points Added to you License - Points may not be added to your driver license record, adjudication of guilt is withheld, safe driver status is maintained if applicable, and the fine is reduced up to 18%. You may not make an election under this subsection if you have made this election in the preceding 12 months. A person may make no more than five elections in their lifetime.
- Keep you Safe Driver Status - If your driver license indicated a safe driver status before you received your ticket, then you will be able to retain this status on your license.
- Increased Knowledge and Awareness of Defensive Driving

**Within 30 days from the date you received the traffic citation and PRIOR to attending class, you must:**

- inform the Clerk of Court in the county where you received the citation that you want to go to traffic school, and
- pay an election fee to the Clerk of Court in the county where you received the citation.

**I have read and understand the reasons for attending the Basic Driver Improvement course and electing to attend traffic school requirements. I further understand that Bridgeway Center, Inc.
